

Bandar A. Hasanain

Contracts & Business Development Director

Engineer Bandar Hasanain is the Contracts & Business Development Director at Almabani General Contractors, a position he has held since January 2016. Born in 1977, Engineer Hasanain graduated from King Abdulaziz University in Jeddah with a Bachelor's degree in Civil Engineering and holds a Master's degree in Business Administration.

Prior to joining Almabani, Engineer Hasanain held several positions in the Ministry of Water and Electricity of Saudi Arabia before being appointed as Assistant Project Manager in Almabani Joint Venture project for the development of Jeddah Sanitary Networks. His achievements and success has lead him to be appointed as project manager in the fall of 2013 prior to his current position.
