

Salim D. Ghorayeb

Senior Projects Director

Lebanese, born in 1959; he has earned his B.S. in Civil Engineering from École supérieure d'ingénieurs de Beyrouth (ESIB) at Université Saint-Joseph (USJ) Beirut and M.S. in Mathematics from the Lebanese University (UL). He has been working for Almabani General Contractors since 1981 and currently holds the position of Senior Projects Director.

He has successfully implemented numerous projects since 1981 for several clients including the Ministry of Defense, the Ministry of Interior, the Ministry of P.T.T. (Power, Telecom and Technologies), Royal Protocol, the Ministry of Transport and mostly the General Authority of Civil Aviation (GACA).

The scope executed covers, but is not limited to:

- ◆ Constructing new airports from scratch to the state-of-the-art functional ones.
- ◆ Improving Runways and Taxiways.
- ◆ Expanding Aprons and other facilities.
- ◆ Upgrading Terminal buildings and related facilities.
- ◆ Building highways, roads, villas, office blocks, and residential edifices.
- ◆ Construction a new maintenance Workshop for defense equipment.
