

QUALITY POLICY

Almabani General Contractor Co. aims at continuously satisfying the expectations of its customers through diversified general contracting skills and services.

Our prime objectives are:

Timely completion of work

Achieve best Quality

Use of latest products and technology

Target zero defects

Secure customer satisfaction

To achieve the above, Almabani General Contractors Co. recognizes the importance of the Quality Management Systems (QMS) where all staff adheres to their responsibilities towards achieving the corporate objectives.

In order to stand to its commitments and achieve its goals, Almabani improves the QMS continuously through periodic review of its policies and work procedures as well enhancing any quality related components and maintaining the human resources competency through continues training and development.

This policy is communicated across Almabani and understood by all.

On behalf of board of owners

Joseph Daher
CEO
